# Billet Family Program

## Give a home to the stars of tomorrow. New host families are needed starting in August for the 2016-17 season.

*"Housing a Whitecaps FC Residency player was the most amazing experience possible for a soccer family. Our children could not have asked for a better role model."*

**– The Reed family**

### Your family will receive:

A unique and rewarding experience, sharing day-to-day life with a young player who is developing his professional soccer career and continuing his education.

- Two 2017 MLS regular season tickets to Whitecaps FC home matches
- Financial compensation of $750/month

### As a family you provide:

A family environment – a welcoming place in which the player can feel at home.

- A safe and comfortable living space – a dedicated room with a double bed (or larger), desk, and television (optional)
- Physical nourishment – three nutritious, prepared meals per day, seven days a week (consider how much better your family will eat!)
