Stretcher Bearer

Position Description

Stretcher bearers work in teams of four to eight to ensure the safe removal of injured players from the pitch. Team members must be assertive, reliable and able to lift 40-50lbs.

Responsibilities

- Remain at the touchline on standby for potential player transport
- When signalled from the Fourth Official, (indicating the need for a stretcher on the field) promptly move onto field
- Under direction from appropriate medical personnel, transfer player onto stretcher, and carry them off the pitch
- Maintain a professional demeanour at all times
- Other duties may be assigned as required
- Ability to perform work under pressure and potentially in a high-stress environment
- Strong communications skills
- Preference will be given to individuals who are looking to enter the medical, paramedic or physical training fields

If you are legally entitled to work in Canada, please send your resume and cover letter indicating how you meet our requirements to events@whitecapsfc.com
